## Exceptional Medical Supplies Superior Service

### WHO WE ARE

**OSAR, LLC** is a minority owned and operated small business specializing in providing expert procurement services to the private and public sectors. Our mission is to add significant value to our customers by providing the highest quality products that meet our clients' needs while maintaining competitive rates. We are able to provide this level of service leveraging our strong partnerships and long-standing relationships with our manufacturing allies whose variety of products hold FDA and SGS testing certifications.

### DIFFERENTIATORS

**Expertise:** Our sales team holds a combined 30 plus years of product sourcing experience using international sources. We are proud of our robust sales and marketing history and our fortitude to logistically provide any product to meet our customer's needs.

**Competitive Pricing:** OSAR offers competitive pricing that rivals longstanding larger companies using a brick and mortar approach. Leveraging a lean virtual model allows us to cut costs significantly, allowing us to pass along the savings to the customer.

**High Quality:** Our products are rigorously quality tested to ensure they meet industry standards.

**On-Time Delivery:** We possess the ability to deliver the goods directly to the customer providing a fast turnaround once a formal order is placed.

**A Strong Strategic Partner:**

- OSAR is a strategic partner to work alongside similar suppliers with an interest in government procurement.
- OSAR has the ability to leverage long standing relations with our manufacturer partners in assisting other entities to fulfill their contractual obligations by providing a vast array of products at the most competitive rates.
- OSAR also offers additional sourcing options to deliver the best results in response to a customer's need.
